GIFTS THAT GO PAST THE UNWRAPPING

Gift certificates for a host of leading Australian restaurants and lifestyle experiences are on the menu at newly launched gift certificate website, www.bestgiftcertificates.com.au. The fresh-faced Best Gift Certificates site is the newest addition to the de Groots' suite of hospitality websites. It is the only online gift certificate website in Australia dedicated to restaurants, wine, food and the hospitality industry, combined with lifestyle experiences.

If you're looking for a unique gift that will be remembered well after the unwrapping, log on to Best Gift Certificates and explore the host of quality restaurants and lifestyle experiences available. Whether it be for a birthday, wedding or anniversary or just to say "thank you" to someone special, gift certificates are available for purchase online at www.bestgiftcertificates.com.au and can be delivered to the recipient immediately by email, saving time and hassle. Or if you prefer, opt for your gift certificate to be delivered by mail to any location within Australia. You choose the amount you would like to spend, anywhere from \$25 to \$500, and add your own personal message. The search tools on the website enable you to search for restaurants by cuisine and location, making your decision as straightforward as possible. If you need to find out more information about your chosen restaurant before purchasing, including opening hours and menus, you can simply click through to the restaurant's page on sister website www.bestrestaurants.com.au for comprehensive details and photos.

If the person you're buying for has quite specific taste and you'd like to give them the option of choosing their own restaurant or experience, don't go past the *Universal Gift Certificate*. You choose the amount you want to spend from \$25 to \$500 and when your gift is received by the recipient they simply visit www.bestgiftcertificates.com.au, redeem their gift certificate into an online account and then start shopping for a dining or lifestyle experience of their choice

de Groots Media is well established in the online gift market. Managing Director Maureen de Groot described the increasing popularity of dining and lifestyle gift certificates as "overwhelming" since her company became involved in their promotion in 1999. "There is something for everyone. Whether your idea of a good time is a night out at a quality restaurant, an abseiling adventure or a romantic weekend away, Best Gift Certificates has it covered" de Groot said.

Further details can be found by visiting Best Gift Certificates website.
