RELIVE YOUR SPECIAL WEDDING DAY

If you are a bride-to-be who has already set-up house and gathered your homewares and household goods and your wedding guests have started asking for gift suggestions, perhaps you are on the hunt for some interesting and novel ideas. If you have all the crockery, linen and appliances you could ever wish for, the gift of an experience with your partner will be something you are able to share together and provide memories that will last forever. After the busy wedding day, the thought of a special experience with your partner will be something you can look forward to as well as being an opportunity to reminisce and relive the day again together.

Gift certificates for a host of leading Australian restaurants and lifestyle experiences are on the menu at newly launched gift certificate website, www.bestgiftcertificates.com.au and offer an inspirational alternative to traditional wedding gifts. The fresh-faced Best Gift Certificates site is the newest addition to the de Groot's' suite of hospitality websites. It is the only online gift certificate website in Australia dedicated to restaurants, wine, food and the hospitality industry, combined with lifestyle experiences.

Perhaps a handful of those people you have invited to the wedding live abroad. If this is the case, the idea of a gift that is able to be purchased online in a matter of minutes and delivered to you in an email becomes very attractive. It will save them the bother of trudging through shopping centres looking for a gift, wrapping it, queuing in line at the post office and the stress of it arriving in time.

Purchasers simply log on to www.bestgiftcertificates.com.au and explore the host of quality restaurants and lifestyle experiences available. Best Gift Certificates has taken all budgets into account as gift certificates are available in increments from \$25 to \$500, and gifts can be searched for by type and location throughout Australia. If detailed information about a chosen restaurant is required before purchasing including opening hours and menus, there's the option to click through to sister website www.bestrestaurants.com.au for comprehensive details and photos.

Gift certificates are available for purchase online at www.bestgiftcertificates.com.au and can be delivered to the recipient immediately by email, saving time and hassle. Or if the purchaser prefers, they can opt for delivery of the gift certificate by mail to any location within Australia

If your wedding guest would like to give **you** the option of choosing your own restaurant or experience they won't go past the *Universal Gift Certificate*. They simply choose the amount they want to spend (\$25 to \$500), and when you receive their certificate simply visit www.bestgiftcertificates.com.au, redeem the gift certificate into an online account and then start shopping for a dining or lifestyle experience of your choice.

de Groots Media is well established in the online gift market. “There is something for everyone. Whether your idea of a good time is a night out at a quality restaurant, an abseiling adventure or a romantic weekend away, Best Gift Certificates has it covered.” Managing Director Maureen de Groot said.

Further details can be found by visiting Best Gift Certificates website.
