## TREAT THE 'MUM IN WAITING'

These days there is an increasing tendency for gifts to be purchased for the mother-to-be prior to the baby's birth. After all, she's the one that does all the hard preparation before the arrival of the little precious bundle. If you are a mother-to-be who is already well on the way to setting up the nursery, and family, friends and colleagues have hinted at gift suggestions to share in your joyous "expectant" news, perhaps you are on the hunt for some interesting but useful ideas. If you have all the baby name books, cot linen and soft toys you could ever wish for, the gift of a pampering or indulgent experience is something you will really appreciate during this special period of your life.

Gift certificates for a host of lifestyle experiences and leading Australian restaurants are on the menu at newly launched gift certificate website, [www.bestgiftcertificates.com.au](http://www.bestgiftcertificates.com.au) and offer an inspirational alternative to traditional gifts. There is a dedicated 'Mother to Be' search category ensuring that viewers can come up with just the ideal gift for their taste and budget. The fresh-faced Best Gift Certificates site is the newest addition to the de GROOTS' suite of hospitality websites. It is the only online gift certificate website in Australia dedicated to restaurants, wine, food and the hospitality industry, combined with lifestyle experiences.

Perhaps some of your family and friends live abroad. If this is the case, the idea of a gift that is able to be purchased online in a matter of minutes and delivered to you in an email becomes very attractive. It will save them the bother of hiking through shopping centres looking for a gift, wrapping it and queuing in line at the post office to post it.

Purchasers simply log on to [www.bestgiftcertificates.com.au](http://www.bestgiftcertificates.com.au) and explore the host of quality lifestyle experiences and restaurants available. Best Gift Certificates has taken all budgets into account as gift certificates are available in increments from \$25 to \$500, and gifts can be searched for by type and location throughout Australia.

Gift certificates are available for purchase online at [www.bestgiftcertificates.com.au](http://www.bestgiftcertificates.com.au) and can be delivered to the recipient immediately by email, saving time and hassle. Or if the purchaser prefers, they can opt for delivery of the gift certificate by mail to any location within Australia.

If the purchaser would like to give **you** the option of choosing your own gift they won't go past the **Universal Gift Certificate**. They simply choose the amount they want to spend (\$25 to \$500), and when you receive their certificate simply visit [www.bestgiftcertificates.com.au](http://www.bestgiftcertificates.com.au), redeem the gift certificate into an online account and then start shopping for a lifestyle or dining experience of your choice.

Further details can be found by visiting Best Gift Certificates website.
